Processing the grief that follows the death of a spouse, child, family member or friend isn't something we can neglect or rush. Whether recent or distant, grief that is left unaddressed can cause serious harm to our mental and physical health.

Join Pastor Linda Titzell on Thursdays from September 12 to December 12 for the fall session of GriefShare, a nondenominational program featuring biblical concepts for healing. Each session is "self-contained." You will be able to pick up if you miss a session or two. Whatever is shared during a session will remain confidential.

Open to villagers and to neighbors from the greater community. Class size is limited for this free program. Registration is preferred by September 3. **Call 624-5253** or visit [www.crosskeysvillage.org/griefshare](http://www.crosskeysvillage.org/griefshare)

\*Dates are September 12, 19 & 26; October 3, 10, 17  
24 & 31; November 7, 14 & 21; December 5, & 12.  
No session on Thanksgiving Day. Dec. 19 is a snow date.
