Lifespring Connect & Renew is a monthly support group reserved for the care partners of Lifespring Day Services participants. Care partners gather to connect with peers, share experiences, celebrate daily joys, navigate challenges, and receive valuable psychosocial support, all while their loved one is next door, safely engaged in the Lifespring Day Services program.

Director of Memory Support Erin Nelson and Lifespring Day Services Manager Mary Rinaolo facilitate this group, with the goal to offer compassionate emotional support and guidance.

While there is no cost to attend, registration is required before attending for the first time. **Please call Director of Memory Support Erin Nelson at (717) 624-5403.** (Villagers can call extension 5403.) You can also email Erin at e.nelson@crosskeysvillage.org.
