

Care Partner's Haven

An open-ended monthly support group, just for care partners

Every Second Friday
1:30 — 3:00 p.m.
Lifespring Resource Center

Care Partner's Haven is a monthly support group designed specifically for care partners of persons living with dementia, where they can discuss the joys, challenges, and successes of being a long-term care partner. Anyone who has been or is currently a care partner to persons living with dementia is welcome to attend.

The group meets in the comfortable Lifespring Memory Support Resource Center, located on the Cross Keys Village campus in New Oxford, PA. Care Partner's Haven is part of the Cross Keys Village outreach ministry, and there is no cost to participate in this group.

While this is an open-ended group, registration is preferred before attending for the first time. **Please call Director of Memory Support Erin Nelson at (717) 624-5403.** (Villagers can call extension 5403.) You can also email Erin at e.nelson@crosskeysvillage.org.
