## Lifespring Day Services

**Jenn Holcomb, Ext. 5235**  
**Chief Clinical Integration Officer**

We are excited to share more about Lifespring, our day services program on campus, which officially opened on March 3. We would like to clarify who may enroll in this program and emphasize to the community that Lifespring Day Services is open to all who may benefit—not just those diagnosed with Alzheimer's disease or other related dementias.

While some participants in the program may have memory-related conditions, a diagnosis of Alzheimer's or dementia is not a requirement for enrollment. Instead, each applicant goes through a screening process to ensure that Lifespring is the right fit for them as well as for those already attending. If your loved one does not have a dementia diagnosis but could still benefit from the program, our team will be open and transparent about what to expect regarding daily interactions and activities.

Lifespring Day Services is designed to support caregivers while enhancing the well-being of those who attend. The program offers:

- Nutritious meals and snacks
- Physical activities to enhance strength, balance, and emotional well-being
- Help with walking and transferring
- Support managing depression and loss
- Assistance with toileting and bathing
- Grooming assistance
- Medication administration
- Health monitoring and care planning

Participants can attend full or partial days, offering flexibility to fit each family's needs. If you or a loved one could benefit from Lifespring Day Services, we encourage you to explore what our program has to offer.

For more information or to schedule a visit, please reach out to our team. We look forward to welcoming more members of our community into this enriching and supportive program.

We are still working on the details for these providers since they book ten weeks out.

## More Bible Verses for Lent

Pastor Linda Titzell, Ext. 5580

Lent is a season of reflection, spiritual growth, sacrifice, and generosity. These encouraging Bible verses can help guide you through the 40 days of Lent and lead you to consider the meaning of this sacred season as you integrate the Bible's teachings into your life.

**Joel 2:12-13** - "Yet even now," declares the Lord, "return to me with all your heart, with fasting, with weeping, and with mourning; and rend your hearts and not your garments." Return to the Lord your God, for he is gracious and merciful, slow to anger, and abounding in steadfast love; and he relents over disaster.

**Isaiah 58:6-7** - Is this not the fast that I choose: to loose the bonds of wickedness, to undo the straps of the yoke, to let the oppressed go free, and to break every yoke? Is it not to share your bread with the hungry and bring the homeless poor into your house...

**Mark 1:12-13** - At once the Spirit sent him out into the wilderness, and he was in the wilderness forty days, being tempted by Satan. He was with the wild animals, and angels attended him.

**1 Peter 5:6** - Humble yourselves, therefore, under the mighty hand of God so that at the proper time he may exalt you.

**Daniel 9:3** - Then I turned my face to the Lord God, seeking him by prayer and pleas for mercy with fasting and sackcloth and ashes.

**Psalms 42:1-2** - As the deer pants for streams of water, so my soul pants for you, my God. My soul thirsts for God, for the living God. When can I go and meet with God?

**John 16:33** - In this world you will have trouble. But take heart! I have overcome the world.

# PEDESTRIAN SAFETY

Brian Lawrence, Ext. 5428  
Director of Village Housing

As the weather gets warmer, more people tend to take to the sidewalk and streets to get around campus. While walking is a great way to enjoy the beauty of our campus and get some exercise for both Villagers and pets, we want to keep everyone safe. Please keep in mind the expectations outlined on page 40 of the Villager Handbook.

- Sidewalks may be used for walking, jogging, biking, and driving scooters, electric wheelchairs, golf carts, and GEM cars.
- Bicyclists and golf cart/GEM car operators should yield to those who are walking or using scooters or wheelchairs, as well as stop at all stop signs.
- If you are in an area that does not have sidewalks, stay to the side of the road. Golf carts/GEM cars and bikes should move in the same direction as the traffic flow. Those walking, in wheelchairs, or on scooters should move against the flow of traffic.
- If you are out early in the morning or later

in the evening when it is dark, wear bright-colored clothing. Additionally, bikes should have reflectors on them, scooters and wheelchairs should have a bright flag, and golf carts/GEM cars are required to use their headlights.

- Those driving vehicles, including golf carts and GEM cars, on campus should always obey the 15 mph speed limits and yield to those crossing in crosswalks as well as stop at all stop signs. Yielding to pedestrians is a Pennsylvania traffic law. You will notice signs posted throughout campus with this reminder.
- Pedestrians should always stop and look both ways at crosswalks and intersections before crossing the street.

If you have questions about any of these guidelines, please contact me to discuss.

**“Doctor Zhivago”**  
Charlie Herr, Ext. 5725  
Villager Movie Group

2:00 - 5:20 pm  
No sign-up necessary

Theater

Doctor Zhivago is an epic historical romance film directed by David Lean with a screenplay by Robert Bolt, based on the 1957 novel by Boris Pasternak. The story is set in Russia during World War I and the Russian Civil War. The film stars Omar Sharif in the title role as Yuri Zhivago, a married physician and poet whose life is altered by the Russian Revolution and subsequent civil war, and Julie Christie as his lover, Lara Antipova. Geraldine Chaplin, Tom Courtenay, Rod Steiger, Alec Guinness, Ralph Richardson, Siobhán McKenna, and Rita Tushingham play supporting roles.

Contemporary critics were critical of its length at over three hours and claimed that it trivialized history but acknowledged the intensity of the love story and the film’s treatment of human themes. There is an intermission.

Rated PG-13; with subtitles.

Sicily is both the largest region of the modern state of Italy and the largest island in the Mediterranean Sea. At times the island has been at the heart of great civilizations; at other times it has been nothing more than a colonial backwater.

Join us on our trip to Sicily. We stayed with local Sicilians and saw Sicily through their eyes. Visit Palermo, Taormina, Erice, Cefalù, and other interesting places. Visit a vineyard to sample some of their wines and tour a cheese factory. We ate with the local people and saw how they prepare the local food. Every night we had a sit-down dinner with our hosts and people from their neighborhood. The neighbors spoke no English, and we spoke no Sicilian, so the dinners were very interesting!

On the anniversary of President Lincoln's death, we welcome Ernie Heffner's return to CKV with his presentation on President Lincoln's funeral train. Between April 21st and May 4th, 1865, the train carrying Abraham Lincoln's body journeyed from Washington D.C. to Springfield, Illinois, where the president would be buried. It also carried his son, Willie, who had died at the White House in 1862 of typhoid fever. The train would travel 1600 miles and visit 180 cities across seven states. The journey was a mammoth effort coordinated by Lincoln's Secretary of War, Edwin Stanton, who insisted that the train take a path that would allow the most people to see it.
