## Quilt Display: "Bunnies"

Holly Fetting, Ext. 5544  
Director of Life Enrichment

This bunny quilt was pieced, appliqued, and machine quilted by Villager Ann Heller, who writes, "It was made in 2010, with the anticipation of the arrival of our first grandchild. As I look at this quilt, memories flood my mind. For several years, this quilt would hang in a special place where the children would run when they came to visit. We would hold them in our arms and ask them to point at each item. The carrots were Dean's favorite. Isla and Syd loved the bunnies and flowers. Time flies, and they are now in their teens. Simple pieces of fabric, stitched with love, hold memories of precious moments that will last forever."

The quilt can be admired in the Harmony Ridge main hallway outside of Harmony Café.

## Peace

**Pastor Linda Titzell, Ext.5580**

We say it is peaceful, but this is not peace. This is just the absence of noise. Somewhere noise goes on... but we don't hear it. Our ears are plugged with the wax of self-importance, so we say it is peaceful, but it is not God's peace. This is the peace the world gives and its real name is pride.

We say we live at peace, but this is not peace. This is just the absence of war. Somewhere war goes on... but we don't see it. We have turned our eyes away because it won't happen here, so we say we live at peace, but it is not God's peace. This is the peace the world gives and its real name is indifference.

We say he is at peace, but this is not peace. This is just the absence of life. Somewhere life goes on... but he doesn't live it, so we say he is at peace, but it is not God's peace. This is the peace the world gives and its real name is death.

The peace of God is nothing like this. It is more like noise. It is more like war. It is more like life. The peace of God is like the peace of the tightrope walker balancing a hundred feet above Niagara Falls. It is in the peace of the cancer patient for whom treatment is no longer prescribed. It is in the peaceful moment after the fatal road accident. It is at the opening of the gates of Auschwitz. It is the peace of Stephen as the first stones bruise his body. It is the peace of Gethsemane, saying, "Nevertheless your will be done." It is the peace of the carpenter as he steadies his hammer for the last blow on the nail. It is the peace of the women on their necessary business in the desolate dawn.

*(Excerpt, A meditation for a service at St John's, West Ealing during Lent, March 1991)*

# Pet Owner Reminders

**Brian Lawrence, Ext. 5428, Director of Village Housing**

As the air gets warmer and the sun gets brighter, spending quality time with our best companions becomes a campus-wide activity. While you are out and about, please remember that Villagers who own pets are fully responsible for their behavior while outside, in campus buildings, and in homes. Here are a few reminders per the Cross Keys Village Pet Agreement that can be found in the Villager Handbook.

Owners are responsible for cleaning up after their pets everywhere on campus. Pets must always be kept on a leash both inside community buildings and outside for everyone's safety. Leashes should be no longer than 6 ft. inside buildings or around other people.

**Pets may not be placed outside on chains or leashes and left unattended at any time.** If you have a chain or leash in your yard, please remove it immediately. If you know of someone who leaves their pet out on a chain or leash unattended, please report it to either Security or the Residential Living Team.

If you need assistance with walking your pet, please

contact the Volunteer Services office at ext. 5227. We have volunteers who are willing to help if you are not physically able to do it on your own.

**Pets may enter the Harmony Ridge buildings but must always be well-disciplined.** Cross Keys Village reserves the right to refuse entry to campus buildings if owners are unable to control the behavior of their pets. Per state and federal law, your pet is not permitted into the campus restaurants unless they are a certified therapy dog/pet. Cross Keys Village does not recognize certifications purchased on the internet.

Also, please keep in mind that not everyone is an animal lover. Some individuals may also have severe allergies to pets. Please do not bring pets with you to meetings, classes, or events. Cross Keys Village reserves the right to refuse entry if another Villager's safety or comfort is compromised. We try to remain a pet-friendly campus as much as possible, but we also need to respect those who may have allergies or phobias as well. Please help to keep our campus safe and clean, and if you have any questions, please give me a call.

This charming and energetic musical takes you on a delightful trip down memory lane, starting at the 1958 Springfield High School prom. We meet four girls with hopes and dreams as big as their crinoline skirts! As we learn about their lives and loves, the girls serenade us with classic '50s hits including "Lollipop," "Dream Lover," and "Lipstick on Your Collar."

In Act II, the Wonderettes reunite to take the stage and perform at their ten-year reunion. We learn about the highs and lows the girls have experienced in the past decade. No matter what life throws their way, they will conquer it together. Featuring over 30 classic 50s and 60s hits, The Marvelous Wonderettes will keep you smiling on this must-take musical trip. It's a toe-tapping, feel-good celebration of friendship, dreams, and timeless music, like "Mr. Sandman" and "It's My Party."

Dinner will follow the show at your own expense at Gateway Family Diner in Gettysburg.
